- Team working

EXPERIENCE

Chemistry and Mathematics tutor (full time) 2024 - 2026

Teach classes for students from different education systems (including Alevel, IB, AP, QCE, Basis school program) and various study levels from primary school to high school exam preparation. Helped the company to build a data base for past paper, textbook, revision note and practice.

Waitress - 2023

This is my first job in the London. I served at the Guild hall, Livery hall, Bakers' hall, Cutlers' hall, armourers' hall and dorchester hotel. This job provided me great opportunity to meet new friends, improve confidence, and build interpersonal and time management skills.

Florist Intern -2023

Deliver and recycle flowers to and from weddings. Provided with chance to learn Floristry through hand on experiences.

IELTS assistant tutor -2022

Marking past papers for students, correct their spellings and translate the reading materials for them. New Channel international education paid my salary by allowing me to study Alevel with them at a significantly reduced price.

FUN FACTS

- I lived in many different parts of the UK including scottish border
- I had cycled to the coast for 50km
